

Donor Appreciation & Spring Update

Anchorage Junior Academy has proudly been introducing the children of Anchorage to Jesus while providing each child with a Christ-centered education since 1941.

Thank you for choosing to be a part of the important work happening on our campus, in our classrooms, and within the hearts and minds of each child and family represented.

Each donation is an investment in our students, teachers, and programs. Every donation supports our Luke 2:52 mission of enabling students to *“increase in wisdom and stature, and in favor with God and man.”*

Dear Friend,

Another year is in the books! We praise the Lord for a successful year of leading children closer to Jesus while providing them with an excellent Christian education. Thank you for keeping us in your prayers and for your generous financial support this year.

At this year’s end of year program and graduation the children sang over 17 new memory verse songs and shared the amazing survival story of Sir Ernest Shackleton and the crew of the Endurance. This year’s verses and theme all point back to our God as a Wise Guide who wants to help and rescue us. On behalf of the students, parents, and school board - thank you for helping spread this message. We are excited about what next year holds!

We’ve had a few unexpected physical plant repairs to make this school year including major plumbing repairs and gym heater housing units. We are also needing to replenish our worthy student fund while balancing immediate needs like a roof replacement, new carpet and paint, and replacing the school van.

We invite you to join us in petitioning God to supply the funding needed to successfully provide for the needs of the school as we continue to fulfill our mission. If you’re in a position to give to any of these causes it would be a blessing.

Sincerely,

Katie Richmond & Craig Hamilton
Principal Board Chair

“Because You are my helper, I sing for joy in the shadow of Your wings. I cling to You; Your strong right hand holds me securely.”
